

# How Quaker Meetings Work

A Quaker meeting is a local worshipping community. Langley Hill Friends Meeting is one of several Quaker meetings in the greater DC area. As we gather each Sunday in worship, we join with each other while we seek a closer relationship with the Spirit. We do not have a minister or a special worship program, but instead silently await the leadings of the Spirit in our lives.

Langley Hill Friends Meeting has an active volunteer committee structure. Our committees care for the quality of worship, our finances, peace and justice work, religious education, the spiritual nurture of our members, and care of the meeting house. They bring recommendations to our community's monthly business meeting. All are welcome to participate. Our business is conducted in the spirit of worship, attentive to the leadings of the Spirit in each of us. We collectively seek the guidance of the Spirit in all of our community decisions.

## *Membership*

When you have attended Langley Hill Friends Meeting for some time, have participating in worship, business meetings, and the life of the community, you may want to become a member of Langley Hill Friends Meeting. Ask other members how to apply for membership.
